The 2nd Public Forum 2019 : “RINK World Seminar” @LIC

RINK will co-organize with JETRO a seminar on the theme of Global Trend in Regenerative Medicine Industry. This seminar will bring five special guest speakers from the UK, US, Germany and Korea. They will be explaining their own business strategies and comments about the Global Trend (including the Japanese market) in Regenerative Medicine Industry.

The purpose of the seminar is to understand the Global Trend in recent years, as well as the differences and similarities between each country's business.

We hope that this seminar will provide the platform to build strong connections between our members and special guests from overseas.
